Subject: Re: MAY COUNCIL MEETING AGENDA. DRAFT CALENDARS

Hi Pam

On the 28 April, I sent you 3 agenda items to be included in this may meeting, they were:

1. Go Kart Club of Victoria move that the Victorian Open Championships to be on a roster system with Geelong , Go Kart Club of Victoria , Oakleigh & Eastern Lions for the next 4 years beginning from 2012. Starting with Geelong in 2012, then Oakleigh in 2013, then Eastern Lions in 2014 and Go Kart Club of Victoria in 2015.
2. Go Kart Club of Victoria propose that the Victorian Open Championships for 2011 to be held at Todd Road be run on the 11 , 12 & 13 March 2011 instead of 11 , 12 & 13 February 2011
3. Go Kart Club of Victoria move that the agenda item passed at the February 2010 VKA Council meeting – "That all pit crew must wear a green safety vest when in the grid , parc femme & track area at all times. A high Viz green jumper or shirt is acceptable.
This is to be put on all supplementary regulations as of March 2010"
Be rescinded as this rule is already covered in the AKA Manual rule 17.12 and if written into the sup regs then they are compulsory.
This item was put to the March 2010 NKC meeting and was rejected as it is already covered in the AKA manual which governs all competitions in Australia.
